Frequently Asked Questions

How much is my booking payment? We require a non-refundable, non-transferable booking payment of \$3000 to secure our all-inclusive packages, plus an additional progress payment 6 months prior to your wedding date. These non-refundable payments will of course be deducted from your final invoice.

Can I add more than 50 guests to my package? Yes! This package starts with a price for 'up to 50 guests', then outlines the price for additional guests.

How much will my complete wedding package cost? The exact package inclusions and the full package pricing/costs are outlined clearly within this document. You may also choose to add extra professional services, additional decor or extend/upgrade some elements of your package - in which case the pricing for these 'extras' will be confirmed in writing when booked. Surcharges do apply in some instances (including a 15% surcharge on declared public holidays).

When do I need to confirm my final guest numbers? Your confirmed, final number of guests - along with details of all special dietary requirements - is required 30 days prior to the event. We cannot guarantee that last minute or late additions will be accepted. Refer to your planning emails and speak to your coordinator regarding exact deadlines.

How do I pay my final invoice? Once your final guest numbers and every details is confirmed, your invoice will be prepared and your final balance (minus booking payment) will be due 21 days prior to your wedding. Payment can be made in cash, via direct bank transfer or with a card (bank surcharges apply for all card payments).

Can I pay in instalments? Due to significant administrative costs we do not offer payment plans or instalments.

Can children attend my wedding? Yes! Children are very welcome at our weddings (always supervised, of course). Children 2-12 years are charged at \$45 each - please chat to your coordinator for menu options.

Can my pet take part in my ceremony? Some pets may be welcome at ceremonies only, with permission and fully restrained at all times. Animals must be removed from the venue prior to any food service. Please chat to our team.

What happens in the case of wet or extremely hot weather? Your coordinator will work with you to find the best solution for adverse weather - and in most cases, an indoor or undercover option will be offered. Charges will apply if you choose to hire additional shade, shelter, spaces or marquees.

If you choose to remain in an outdoor location without shelter/shade despite wet or very hot conditions (34 degrees or above), electrical items (such as microphones, PA systems and cameras) and some décor (such as ornamental or wooden chairs, cushions, rugs, carpets, sashes, draping and archways) may not be set up or utilised.

Can you cater to special dietary requirements? Yes - we will always endeavour to cater for special dietary requirements such as gluten free, vegetarian and vegan guests! Exclusions do apply for severe allergies and restrictive diets (such as coeliac and FODMAP). In the case of a significant number of guests requiring custom menus, the entire group may be subject to these requirements - and surcharges will apply at our discretion.

Our suppliers are all experienced, exceptional wedding professionals who have worked with us for many years – you can see numerous examples of their work throughout our social media.

Can I BYO any alcohol or food? All catering, drinks service and staffing are created, supplied and served by the venue. BYO food and/or beverage is strictly prohibited at the venue throughout your wedding (wedding cakes excepted).

Can I make changes to any included decor/furniture/styling? Yes – chat to our team if you wish to make changes to styling and décor. Please note each package is specifically designed to suit the various event formats and catering, so some furniture changes may not be possible.

Can I extend/change the included food and/or drinks? Yes! Menu and beverage changes, additions and extensions may be available, at additional cost.

Are spirits included in our drinks package? We do not offer any packages inclusive of spirits, however basic spirits will be available for guest purchase throughout your reception and limited TABs may be available – ask us for details.

Can guests buy drinks before the reception begins? Yes, our bar usually opens for limited bar purchases prior to your reception starting time. Please chat to your coordinator for your detailed event timing, including bar purchase options.

When will I begin my planning? Once your booking payment is finalised you will receive a detailed confirmation email, outlining your full wedding timing confirming your package/inclusions and outlining the key elements of your wedding planning. Your coordinator will then begin the detailed planning process around 3-4 months prior to your big day -, including making contact at key stages of planning, booking detailed planning meetings (if required) and keeping you informed of all deadlines.

What if I haven't heard from my coordinator yet? Please check your confirmation email for expected timelines. Also check your 'junk' email folders, as sometimes emails do go astray! You can also reach out to your coordinator at any time if you'd like to check details or begin planning. We are always here to help!
